

# W&J Interfaith

## Statement of Purpose

W&J Interfaith is dedicated to promoting religious understanding, inter-religious cooperation and spiritual enlightenment within the College community. We support experiences for the expression and care of all religious traditions and religious and spiritual groups present on campus. We offer interfaith experiences, service opportunities, and open conversations that facilitate an appreciation of religious difference and an enhanced understanding of one's own values and beliefs. Religious affiliation is not requisite to participate in interfaith programming and initiatives.

W&J Interfaith is a collaborative of W&J student spiritual and religious groups and the Office of Residence Life. For more information about W&J Interfaith, upcoming events, student involvement, and service opportunities please contact students [Erin Oberg](#) or [Jeff Knopes](#).
