

CAMPUS & PUBLIC SAFETY

Welcome to the Office of Campus & Public Safety wiki for current students and the campus community. Located in Old Main, the Office of Campus & Public Safety is open 24 hours daily, seven days a week, to safeguard and serve the students, staff, faculty and visitors of the College community. The department consists of sworn and unsworn officers, who are devoted to the safety of W&J's campus.

We have installed many safety measures, including 24-hour card access to our residential buildings, emergency phone boxes across campus, a 24 hour a day, seven day a week escort system and security cameras in selected locations. Safety is the responsibility of all community members and it begins with each of us. Please lock your cars, offices and residential rooms. Contact the Campus & Public Safety immediately at 724-223-6032 in case of an emergency or safety concern.
