

# Student Health and Counseling Services

This is the home of the Student Health & Counseling Services wiki for current students, faculty and staff.

The Student Health and Counseling Services Center at Washington & Jefferson College supports the mission of the College and the Division of Student Life by providing health, counseling and psychological services designed to foster the academic, personal, and interpersonal development of the student body.

| <a href="#">W&amp;J Privacy statement.pdf</a>            | 37.81 KB |

### **AFTER HOURS EMERGENCIES**

The Student Counseling Service is available for consultations regarding after hours emergencies. To reach a counselor after 5:00 p.m. please call Campus and Public Safety at (724) 223-6032. Please give your name and a telephone number at which you can be reached, and the officer on duty will contact the counselor, who will return your call as soon as possible. If you have a life threatening emergency, please call 911 and do not delay in seeking assistance to be transported to the nearest emergency room.

\*All calls, messages and meetings are confidential.
